Art Unit: 1648

DETAILED ACTION

This action is in response to paper# 33, filed July 8, 2003.

Claims 1 and 2 are pending.

Objections and Rejections Withdrawn

The objection to claim 2.

The rejections of claims 1 and 2 under 35 U.S.C. 112, second paragraph.

The rejections of claims 1 and 2 under 35 U.S.C. 112, first paragraph.

The rejections of claim 1 under 35 U.S.C. 102(a).

Rejection Maintained

Claim 2 remains rejected under 35 U.S.C. 102(a) as being anticipated by EMBL/ NCBI Accession Number X96526.

Applicant has amended the claim to be independent to overcome the claim objection. Applicant argues that the limitation of 80% has been removed and the rejection should be withdrawn.

Applicant's arguments have been fully considered and not found persuasive.

The claim is drawn to any isolated HIV-1 Group O *env* polypeptide comprising an immunoreactive portion of a polypeptide sequence comprising SEQ ID # 61.

Application/Control Number: 08/911,824

Art Unit: 1648

This reads on any isolated HIV-1 Group O *env* polypeptide that shares an immunoreactive portion (as few as 5 contiguous amino acids, page 9, lines 19- 25).

The polypeptide of DelaPorte (NCBI Accession Number X96526) anticipates the claim because it is also a HIV-1 Group O env polypeptide (Groups being determined by immunoreactivity) and the sequence is 83.5 % identical sharing many regions of 5 or identical amino acids. The 1.131 declaration of Sushil Devare is not effective in overcoming this rejection, see previous Office action paragraphs spanning pages 5-6.

Allowable Subject Matter

Claim 1 as written is allowable.

Conclusion

Claim 2 remains rejected.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of

Application/Control Number: 08/911,824

Art Unit: 1648

the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Myron G. Hill whose telephone number is 703-308-4521. The examiner can normally be reached on 9am-6pm Mon-Fri.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James Housel can be reached on 703-308-4247. The fax phone numbers for the organization where this application or proceeding is assigned are 703-308-4242 for regular communications and 703-308-4242 for After Final communications.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is 703-308-0196.
